EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.
2. Authorization for this examiner's amendment was given in a telephone interview with Michael G. Fletcher, Reg. No. 32,777 on February 16, 2006.

The application has been amended as follows:

Claims

12. (currently amended) An electronic information system for providing tools to employees of an identified company to perform employment-related functions for the identified company, the system comprising:

an information database containing data related to the identified company;

an interactive Internet website that enables only the employees of the identified company to access and interact with the electronic information system;

a plurality of tools that direct the system to perform operations to assist the employees to perform employment-related functions for the identified company;

an information engine that operates between the information database and the plurality of tools; and

an application to identify each of the employees accessing the system, wherein the system configures the interactive Internet website based on each employees' identity, and

a data engine operable to provide a link between the interactive Internet website and an

external Internet website, the interactive Internet website and the external Internet website being coordinated so they both have a similar appearance.

Art Unit: 2167

15. (currently amended) The system as recited in claim 12, wherein the ~~system is linkable to an~~ data engine provides the link to the external Internet website in a manner transparent to the employees.

16. (cancelled)

Reasons For Allowance

3. The following is an examiner's statement of reasons for allowance:

Barnes et al (US 5,970,475), Roberts et al (US 6,792,605) and prior art of record fail to anticipate or render obvious the recited feature **a data engine operable to provide a link between the first website hosted by the first electronic information system and a second website hosted by a second electronic information system operated by a business partnered with the identified company, the first and second websites having the same look and feel** of independent claims 1; **a data engine operable to provide a link between the interactive Internet website and an external Internet website, the interactive Internet website and the external Internet website being coordinated so they both have a similar appearance** of independent claim 12; **enabling a second company to host a second website having the same look and feel as the first website, wherein the first website is linked to the second website to enable the employees of the first company to obtain second company-related data via the second website without appearing to leave the first website** of independent claim 17.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
